## TECHNICAL BULLETIN

### Polaris Industries Recall

#### REFERENCE:

NCR 238(ii).

#### RATIONALE:

Polaris Industries Inc. ("Polaris") has voluntarily issued a 'Stop Sale/Stop Ride' safety bulletin and product recall in which Polaris advises that certain makes of Polaris vehicles (RZR 900, RZR 1000 and variants thereof) are not to be used until they have been inspected and, if necessary, serviced and rectified by an authorised Polaris dealer.

CAMS understands that owners of affected vehicles are being contacted directly by Polaris.

Further details of the safety bulletin and product recall can be found at [www.polaris.com/rzr-recall](http://www.polaris.com/rzr-recall) and on CAMS' website at <http://www.cams.com.au/media/news/latest-news/urgent-recall-polaris-rzr-900-and-1000-off-road-vehicles>.

#### ACTION:

Any vehicle affected by the above Polaris safety bulletin and product recall is excluded from participating in a CAMS permitted event until it has been inspected and, if necessary, serviced and rectified by an authorised Polaris dealer. An affected vehicle is excluded from participating in a CAMS permitted event unless it is presented at the time of entry with evidence from Polaris (or its authorised dealer) confirming that the required inspection, service and rectification has occurred.

Owners of affected vehicles should contact their nearest Polaris dealer.

Any enquiries in relation to this bulletin should be directed to CAMS Technical by email ([technical@cams.com.au](mailto:technical@cams.com.au)) or by phone (1300 883 959).
